

The AMTE logo features the letters 'A', 'M', 'T', and 'E' in a blue, sans-serif font. The 'A' is positioned inside a white downward-pointing triangle, while the other letters are to its right. The entire logo is set against a background of a city skyline at dusk, with lights reflecting on the water.

INTRODUCTION

The Association of Mathematics Teacher Educators (AMTE) is the largest organization in North America devoted to the improvement of mathematics teacher education. More than 1,100 members strong, AMTE members include faculty members at universities, colleges, and community colleges, as well as others interested in mathematics teacher education. AMTE welcomes sponsorship from interested supporters to help us accomplish our mission. Sponsors' financial support helps strengthen AMTE's value to its members and the communities they serve. This sponsorship brochure provides the necessary information for interested patrons, businesses, companies, organizations, and institutions that want to become active sponsors with AMTE.

MISSION STATEMENT

The mission of AMTE is to promote the improvement of mathematics teacher education, PK-12.

GOALS OF AMTE

- Effective mathematics teacher education programs and practices;
- Communication and collaboration among those involved in mathematics teacher education;
- Research and other scholarly endeavors related to mathematics teacher education;
- Professional growth of mathematics teacher educators;
- Effective policies and practices related to mathematics teacher education at all levels;
- and Equitable practices in mathematics teacher education, including increasing the diversity of mathematics teachers and teacher educators.

The Association of Mathematics Teacher Educators (AMTE) invites you to partner with us to advance mathematics teacher education by supporting our vital initiatives including our annual conference, February 11-13 in Baltimore, MD with 700+ expected attendees.

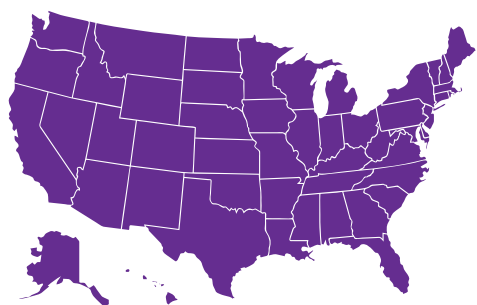

Why Sponsor the AMTE?

- ✓ Support the industry that supports you
- ✓ Differentiate yourself from competitors
- ✓ Build relationships with new and existing customers
- ✓ Showcase your company and products
- ✓ Increase brand visibility and reach
- ✓ Contribute to the important work being done in mathematics

Be a Part of this Impactful and Welcoming Organization!

PREMIUM SPONSOR ELIGIBILITY AND BENEFIT

Sponsors play an important role in AMTE's ability to actualize its mission. The following section outlines benefits for premium sponsors along with anticipated yearly sponsorship opportunities.

There are three levels of premium sponsorship: Bronze, Silver, and Gold. **Sponsorship forms must be completed by October 15, 2026 to receive full sponsor benefits and recognition.** Once you have completed the form and submitted payment, you will receive confirmation and details regarding your deliverables. Sponsor benefits can be customized to meet the sponsor's needs. Please discuss potential ideas with the AVP for Sponsorship.

	BRONZE \$3000–\$3999	SILVER \$4000–\$4999	GOLD \$5000 & ABOVE

WEBSITE LINK Active link in the sponsorship area of the AMTE website.	X	X	X

SPONSORSHIP OPPORTUNITIES

Sponsors play an important role in AMTE's ability to actualize its mission. The following Sponsors may combine any of the opportunities listed or other contributions (suggested by the company and approved by the AMTE Board) to create a package achieving a premium sponsorship level (Bronze, Silver, or Gold). Sponsor of conference events will receive additional recognition through a sign with a statement of appreciation displayed at the sponsored event. If the sponsorship is for support other than events, a sign with a statement of appreciation will be displayed at the registration area.

We are committed to providing valuable sponsorship opportunities that enhance the attendee experience. However, we reserve the right to make schedule changes as needed, which may impact the availability or structure of certain sponsorship opportunities.

AWARDS SUPPORT

Support one of several awards/scholarships AMTE bestows to members.

Susan Gay Graduate Student Travel Scholarship

Scholarship covers the cost of graduate student early registration and an additional \$400 to offset costs of conference attendance.

Scholarship for Elementary Mathematics Specialists

These scholarships provide elementary teachers with funding to enhance their mathematics knowledge, teaching, and leadership by enrolling in university coursework resulting in elementary mathematics specialist certification.

Service, Teaching, and Research (STaR) Fellowship

The STaR Fellows Program is an early career induction program for mathematics educators in their first or second year of a tenure track appointment in an institution of higher education.

BIPOC Mentoring Program

The BIPOC Mentoring Program aims to foster and support mentor/mentee relationships specifically aimed at supporting early-career BIPOC faculty as they navigate the demands of teaching, scholarship, and service in the profession.

NCTM-AMTE Early Career Research MET Grant.....

The MET grant supports prospective and in-service math teachers (Pre-K–grade 12) and provides funds to support the improvement of classroom practices and increasing teachers' mathematical knowledge.
